# Summer at the Lake

SATURDAY 16 JANUARY

10AM - 2PM

Movies & Music  
Barefoot Bowls  
Homes Open  
Summer Burgers  
Refreshments  
Prizes to be Won  
Dancing & more...

# *A refreshing change*

With summer upon us, we're often reminded to stay indoors during extreme heat. We're told to keep the air conditioning on or if we don't have air-con, to go somewhere that is cool - a movie theatre, a friend's home or a shopping centre are all good options.

Well, if you lived at Bridgewater Lake Retirement Estate you'd have even more options to choose from and at the same time you'd be surrounded by like minded friends and neighbours.

With resort-style facilities at Club Bridgewater, you can take a dip in the pool to cool down, refresh yourself with a drink at Geri's Cafe or just relax in the library with a book, a game or access the internet.

For those times when you'd rather turn off your mind, there's a cinema to watch movies or perhaps take time out to get your hair done at the salon. Then during those balmy summer nights, enjoy a meal with friends or family at the outdoor BBQ area or display your prowess in either an indoor or outdoor bowls tournament. What's for sure is that you won't be 'house-bound' with nowhere to go or no one to see.

With beautifully appointed homes now available from only \$250,000 (which all include air-conditioning), experience Bridgewater Lake for yourself at our 'Summer at the Lake' Open Day.
